Dear Brother Dolecki,

On behalf of 10,000 faculty and staff who work and teach in BC's public post-secondary institutions, I am writing to express our Federation's solidarity with your members and their struggle to get a new collective agreement with your employer. We know from direct experience in this province that when members take job action, having the support of others in your community is critical to the success of that action. Our Federation is committed to building that support by providing a \$1,000 donation from our Defense Fund to ensure that your job action is a success.

Yours in solidarity,
