

# Bargaining Update from BUFA

## #7 – Good News

Dear BUFA members,

The Employer returned to the bargaining table today. We had a productive meeting and have committed to continuing with the rest of the week's scheduled bargaining sessions. We will be negotiating on the Winnipeg campus tomorrow and returning to Brandon for an afternoon session on Friday. You can expect an update from us early next week on the content of this week's negotiations.

In solidarity,

Your Negotiating Team
